HARDWOODS

QUALITY TABLES, PLASMA STANDS AND BOOKCASES

2019

Interior Hardwoods LLC is a branch of Interior Wood Finishing which was founded in 1996 doing finish work for more than 30 different furniture stores across the country.

Started in 2004, Interior Hardwoods LLC builds quality tables using Oak, Quarter Sawn, Cherry, Brown Maple and Hard Maple wood. We offer more than 34 different styles of tables, built in a reasonable time frame for our dealers, for their customer's satisfaction.

Our facility is just under 10,000 square feet so we do have room for storage until your truck arrives for load out. We have one truck dock and two trailer docks for easy pick-up and delivery.

Remember, God created the tree...and our tables are a part of it.

Have a wonderful year and may you be blessed.

Jake Kuhns

2

About our “rustic” wood...

The natural character of “rustic” wood makes every piece unique. Mineral, sap, knots, bird pecks and color variations are common characteristics allowed. All furniture is structurally sound, and location of knots, etc. may not be specified by the customer. There are no warranties on “rustic” wood.
