2018

POLY FURNITURE

NEW FOR
2018

LuxCraft
PREMIUM
WOODGRAIN

Antique Mahogany & Black

A new addition to our Premium Woodgrain offerings, Antique Mahogany & Black combines the rich color and beautiful texture of real wood with the sleek look of Black poly.

5' Swing Center Console

All of our 5' Swings now feature a convenient flip down center console with cupholders.

Umbrella Stabilizer Block

So new that we don't even have a picture of it yet, our Umbrella Stabilizer Block prevents your umbrella from twisting and turning on days with a nice summer breeze.

New Cushion Colors

Available NOW! Two new colors in our Sunbrella cushions. Brannon Redwood and Berenson Tuxedo are also available in our Umbrella.

**BR BRANNON
REDWOOD**

**BT BERENSON
TUXEDO**

Stainless Steel Chain

All of our poly swings now come standard with a heavy duty stainless steel chain, providing a durable and long-lasting mounting solution.

HELLO!

We are LuxCraft, makers of fine outdoor products, and we're pleased to meet you!

Founded in 1990, LuxCraft began as a small business in the corner of a barn, exclusively manufacturing outdoor wood furniture. In the years that followed, as LuxCraft's product line expanded to include outdoor structures and poly furniture, our facilities and dealer base grew accordingly. Flash forward to present day and you'll find our product being made in a 56,000 square foot shop before being distributed to hundreds of dealers throughout the US and Canada.

So what distinguishes LuxCraft from other outdoor product manufacturers? Our first priority is quality, and all furniture and structures are built to last. With 120,000 square feet of warehouse space, we stock over 30,000 items for immediate pick-up or shipment year round. What's more, LuxCraft poly furniture comes with a residential lifetime limited warranty or commercial 5-year limited warranty.

Though LuxCraft is now operating on a much larger scale, employing 47 people instead of two, our core values remain the same. Each transaction is handled with integrity and focus on customer service. We build our products with emphasis on durability and longevity, then price it accordingly. Best of all, LuxCraft products are made right here in America (Ohio to be exact) so by buying our products you're not only improving your outdoor space, but boosting the economy as well.

Be sure to look for the LuxCraft logo plate on all our furniture!

THE LUXCRAFT DIFFERENCE

CUSTOMER SERVICE

Our customer service and sales team is always on-hand to answer questions or assist with orders. We believe the key to good business is a personal relationship with customers, and we strive to achieve that with every interaction.

ATTENTION TO DETAIL

Our craftsmen don't cut corners when it comes to building furniture. We reinforce our swings, gliders, and benches with aluminum angle braces. Poly glider arms are used for a stronger, smoother glide, and we make our own heavy-duty swivels.

QUALITY

Why choose LuxCraft outdoor furniture? Quality is our highest priority, and it shows in the furniture we handcraft for you. We're constantly reevaluating product designs to ensure you're receiving nothing but the best.

IMMEDIATE AVAILABILITY

With 120,000 square feet of warehouse space, we stock over 30,000 items for immediate pick-up or shipment year round. Time is precious; why spend it waiting? At LuxCraft, we work hard to anticipate what you need before you need it—no waiting necessary.

LIFETIME WARRANTY

LuxCraft furniture comes with a residential lifetime limited warranty or commercial 5-year limited warranty covering any defective product or part. All you need to do is sit back, relax, and enjoy your new backyard oasis.

STAINLESS STEEL FASTENERS

All LuxCraft products are assembled with 316 grade stainless steel hardware for optimum durability. Stainless steel is corrosion and stain resistant, which ensures its brilliant shine will last for years to come with very little maintenance.

MADE IN THE USA

LuxCraft products are made right here in America (Ohio to be exact) by skilled craftsmen in our 56,000 square foot shop. Each product is hand-crafted and inspected before it's allowed to leave the shop.

WHAT IS Poly?

ENVIRONMENTALLY-FRIENDLY

Poly is High Density Polyethylene (HDPE), a recyclable plastic derived from post-consumer waste such as milk and detergent bottles. This material is cleaned in a decontamination process to a purity level of over 99% HDPE, then compounded into solid board stock material. The resulting product contains over 90% recycled post-consumer waste by weight.

WILL NOT DETERIORATE

Exceptional resistance to moisture, fading, insects, splintering, warping and other hazards of environmental exposure common to wood or wood fiber composite products

UV STABILIZED COLOR

High color stability UV pigment systems which minimize material breakdown from prolonged sun and weather exposure

ESSENTIALLY MAINTENANCE-FREE

Requires no waterproofing, staining, or other similar recurring maintenance other than an occasional washing with soap and water

Shipping Options

Use this key throughout our catalog to determine how to receive your items.

Stocked

All items are available for pickup from our warehouse in Sugar Creek, OH.

Items with this symbol are available to drop ship via FedEx®.

Items with this symbol are available to drop ship via truck.

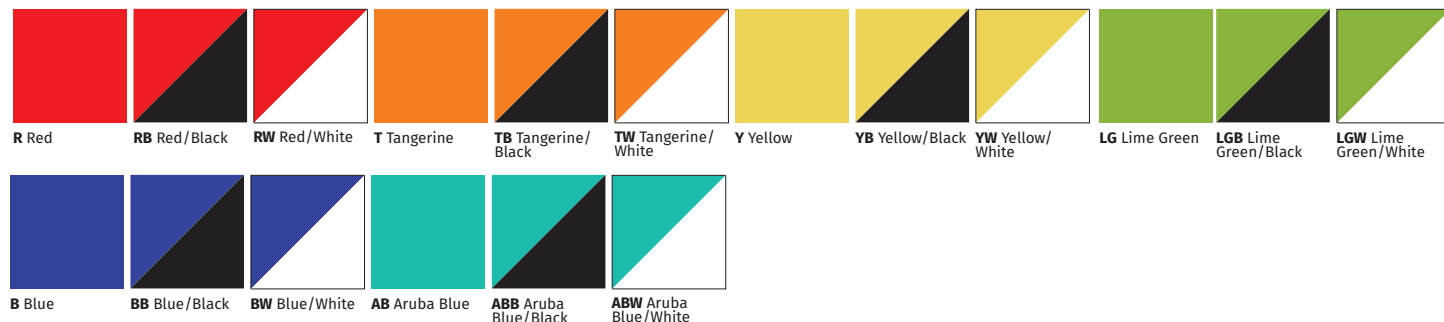

Luxcraft Poly Colors

Our maintenance-free poly furniture is made in 32 colors. Be sure to check each item for individual stock colors. Most items are available in non-stock colors for an upcharge. Colors are shown to the best of our ability, but due to photographic lighting and limitations in printing, actual product colors may vary slightly from those shown below.

Caring for Poly Furniture

LuxCraft Poly Furniture is made from high-density polyethylene (HDPE). It never requires painting or staining and will not splinter or rot. It is also not affected by most corrosive substances. But in order to maintain the beauty of your furniture we recommend the following care tips:

- Clean with LuxCraft Poly Brite cleaner and rinse with warm water, monthly (some colors such as white require more frequent cleanings). For certain stains it may be necessary to scrub with a soft bristle brush.
- Fasteners are 316 grade stainless and, although this is a premium grade stainless, it is still susceptible to corrosion in extreme conditions (coastal areas with continuous exposure to salt water). In those conditions it is recommended to rinse the furniture weekly with fresh water and wipe the hardware with a soft cloth.
- Do not place hot items on the furniture as this could potentially melt the material.
- Certain flower pots or containers left on the furniture over an extended period of time could cause staining.

By following these simple steps you will enjoy the beauty and comfort of your LuxCraft Outdoor Furniture for a lifetime!

PBCK Poly Brite Cleaning Kit

POLBRI Poly Brite (32oz.)

While they require no waterproofing and are essentially maintenance-free, your poly furniture pieces will benefit from an occasional wash to keep them looking like new for years to come!

WARRANTY INFORMATION

LuxCraft Products have a Limited Lifetime Warranty on Residential use or five (5) years on Commercial use.

The warranty is effective starting on the date of purchase. At its option, LuxCraft will repair or replace the product without charge, providing our inspection indicates that an original defect exists. Should LuxCraft choose to replace the product, and the product is no longer available at the time warranty service is required, a substitution of similar performance and equal or greater value will be made. The Poly material used in LuxCraft has UV stabilizers compounded into them making them resistant, but not impervious, to fading. Change in color or staining caused by sunlight or other foreign substances is not covered under this warranty. Some expansion and contraction is to be expected during changes in humidity and temperature. The foregoing shall not be considered defects in materials or workmanship and are not covered under this warranty. Stainless steel fasteners are warrantied not to fail structurally for the applicable warranty period. Stainless steel may rust in certain extreme conditions (such as coastal areas) if not maintained. Polyethylene is a synthetic product and may scratch. This warranty also does not cover scratching of polyethylene.

Cushions are warrantied to be free of original defects in workmanship and material for a period of one (1) year of residential use and are not warrantied for commercial use. Compression of cushions shall not be considered a defect in materials and workmanship and are not covered under this warranty.

Your claim must explain the nature of the original defect and include your name, address and telephone number. In the event of a non-warranty repair, you will receive a written estimate prior to any repair work being performed. This warranty gives you specific legal rights and you may have other rights which vary from state to state. As defined by federal law, this is a limited warranty.

For an official copy of the warranty, please contact LuxCraft customer service.

SWINGS

5' ADIRONDACK SWING

The iconic Adirondack design conjures up camping trips, lakeside cottages, and woodland lodges. And now, it can also be a part of your home outdoor space. 2' CLASSIC BENCH

Clean lines and an understated, yet elegant, profile ensure that the pieces in our Classic collection live up to their name. Timeless, pairing well with any design style, these pieces look terrific alongside a Colonial gazebo or on the porch of an Arts & Crafts bungalow. In an array of colors, they literally work anywhere.

4' PLAIN BENCH

It's simple; it's elegant; it's effortlessly beautiful. And it's ready to play a central part in your outdoor living space. Our 4' plain bench is perfect when you want a haven that will blend in nicely with the lush surroundings without calling attention to itself, letting you sit back, relax, and enjoy all that Mother Nature has to offer. The 4' bench seats two with room to spare.

GRANDPA'S ROCKER

Remember sitting on your grandparents' laps, listening to stories, and rocking in your favorite chair? Here's a way to recreate the memory: a chair designed like an old hickory rocker but made with low-maintenance poly. These rockers have the comfort of the old heirloom, but can be left out on your deck all year!
